

# FMD Waste Reduction Services Rate Sheet (FY24)

FY24 Rates effective July 1, 2023

Facilities Management Division (FMD) Office of Sustainability & Waste Reduction Services provides essential waste management support to ensure the health and safety of students, faculty, staff, and visitors at the University of Georgia.

The following rates include material collection and removal service. Additional landfill and recycling tipping fees are based on the current market rate per ton; there is no additional tonnage fee for compost collection. Routine waste collection costs for Resident Instruction facilities are managed centrally by FMD.
