

# IS THAT COMPOSTABLE?\*

## YUP.

**PRODUCE**

**GRAINS**

**COFFEE GROUNDS**

**PAPER TOWELS  
AND NAPKINS**

**COMPOSTABLE  
PAPER CONTAINERS**

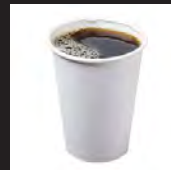

## NOPE.

**MEATS**

**DAIRY**

**LIQUIDS**

**FOOD WRAPPERS**

**PLASTIC CUTLERY**  
(or any plastic items)

UGA's Departmental Compost Program is a student-run, bicycle-powered initiative to reduce waste and restore soils.

\*Anything that was once alive can be composted, but our process only accepts items listed above.
