**INTERNSHIPS**

**USE YOUR TIME TO MAKE A MORE SUSTAINABLE UGA**

**PAID, UNPAID, AND CREDIT INTERNSHIPS ARE AVAILABLE FALL AND SPRING SEMESTERS**
The Office of Sustainability Student Internship Program provides opportunities for experiential learning, leadership and professional development while making a positive and tangible impact within the University of Georgia and Athens communities.

Applications are due in April for Fall Semester and November for Spring Semester. Visit sustainability.uga.edu/internships for more information.

**SCHOLARSHIPS**

**STUDY ABROAD IN SUSTAINABILITY? WE CAN HELP**

**$500 SCHOLARSHIPS FOR STUDY ABROAD IN SUSTAINABILITY**
The Brittney Fox Watts Endowment for Study Abroad in Sustainability provides a $500 enhancement to selected UGA undergraduate and graduate students attending a UGA sponsored Education Abroad or exchange program focused on sustainability.

Applications are due by November 1st of each year. Visit sustainability.uga.edu/smalldreams for more information.

**CAMPUS GRANTS**

**DESIGNED BY STUDENTS, IMPLEMENTED BY STUDENTS**

**GRANTS UP TO $5,000 AVAILABLE TO CURRENT STUDENTS TO ADVANCE SUSTAINABILITY**
Funded by the Student Green Fee, grants up to $5,000 are available to current UGA students who wish to implement projects to advance sustainability on campus and in our local community.

Proposals are due in November. Awarded projects are implemented during Spring Semester. Visit sustainability.uga.edu/grants for more information.

**CERTIFICATE IN SUSTAINABILITY**

**ACADEMIC PROGRAMS FOR GRADUATES AND UNDERGRADUATES**

**EQUIPPING STUDENTS TO MAKE SIGNIFICANT, SYSTEMIC CHANGES IN THEIR COMMUNITIES**
The Interdisciplinary Certificate in Sustainability encourages students to approach problems holistically. By integrating social, economic, and environmental concerns and applying knowledge to develop real-world solutions, students gain a deepened understanding of societal problems and solutions.

Capstone sustainability projects allow our students to make a positive difference in the Athens community. Visit sustain.uga.edu for more information.
